County Roads Win Approval

9-County Committee Urges Construction Of Two Projects

Two San Mateo county road projects have won commendation of a special Nine Counties Highway Committee, acting in conjunction with the Redwood Empire Association.

The projects are the $3,000,000 military road linking the presidios of San Francisco and Monterey and additional rights of way for the Junipero Serra boulevard extension.

Federal and state highway authorities are being urged to give favorable consideration to the projects. Chairman M. O. Goldman of Petaluma and Gail D. Apperson, chairman of the Marin County Board of Supervisors, have submitted the recommendations to the proper authorities.

The shoreline highway through San Mateo and Santa Cruz counties is embodied in a house resolution under which the government would build the road and the counties and state donate the rights of way.

The Junipero Serra boulevard extension entails $200,000. It is for a 125-foot roadway to Burlingame via San Bruno.

CREEL URGES FURTHER AID TO PWA JOBS

S. F. Democratic Head Hopeful of Funds For Harbor Here

Placing of part of the proposed $1,500,000,000 new public works funds to the credit of PWA so that more worthwhile projects will be furthered has been urged on President Roosevelt by George Creel, San Franciscan who is a close adviser to the president.

This information came today to the Council Harbor Committee from Creel, who said:

"I have been urging the president to make some allocation of funds to the PWA, feeling that its projects are more worthwhile than any others, and am still hopeful of success."

"No one questions the value of the Redwood City harbor project, nor the good faith of Redwood City itself," Creel said. "It is simply the case that PWA has no funds. If and when they do get money, your project will be put through."

Citizens here will be given an opportunity to do Redwood City's part by voting a $200,000 bond issue about mid-May.

Pair Hold Up, Rob San Jose Druggist

Two bandits answering the description of those who Friday night were foiled in a holdup of the Superior Ravioli Factory when Proprietor Sante Pellarin took after them with a butcher knife, over the week-end robbed a San Jose druggist of $60.

The druggist, David L. Long, 50, a crack pistol shot, was alone in his store Saturday afternoon when a youth and middle-aged man drove up in a roadster, parked and came into the drug store.

When Long went to the shelves for some hair oil the older of the two holdup men poked a gun into his back and told him to "put 'em up." In Redwood City the younger man held the gun. In San Jose, however, he rifled the register while his companion held the druggist at bay with his weapon.

2 S. F. Janitors Face Driving, Drunk Counts

(Special to The Tribune)

BURLINGAME, March 31—Charges of reckless driving and intoxication faced two San Francisco janitors today as the result of an accident yesterday in which their car collided with one driven by Claire Howper of Burlingame.

A. F. Ferguson was cited on the driving charge, while his companion, Amil Dorchy, was cited for drunkenness following the crash on California drive, Burlingame. The pair will appear Friday at 10 a. m. in Judge R. L. Stone's court.

ASTAIRE AND ROGERS TO APPEAR

Photo shows Fred Astaire and Ginger Rogers in "Follow the Fleet" coming to the Sequoia Theatre Sunday, Monday and Tuesday. It is a picture filled with greater dancing, singing, and comedy than this great co-starring team has ever before produced. On the same program is a "March of Time" and Pop Eye Cartoon.

SUFFOCATION BRINGS DEATH TO BABY SON

33-Day-Old Woodside Child Found Dead In Bedclothes

Becoming entangled in his bedclothes, Bertlyn Eugene Bellows, 33-day-old son of Mr. and Mrs. Edward Bellows of Woodside, died of asphyxiation early Sunday morning.

He was pronounced dead by Dr. Ralph Howe who was called at 6 a. m. The baby was in perfect health, the physician said, and asphyxiation had been caused apparently by the bed clothes.

The father and mother, native Oregonians, work on the William H. Hendricks Manzanita road estate, Woodside. The father is a farm laborer.

The baby was discovered unconscious in its crib by the mother, Amada.

'Passenger' Blamed In Suit Over Death

The tragic accident which brought death to a Berkeley man January 16 near San Mateo was not his fault but that of a man listed in the accident report as a passenger in the automobile which turned over four times, according to charges made in a suit filed in superior court here.

The action was brought by Mrs. Betty R. Mosinske on behalf of herself and her 10-month-old daughter, Dorothy. She names Kenneth Dugger as defendant, alleging that he and not her husband, Albert G. Mosinske, 32, was driving the speeding car when it ran off the Bayshore highway near Winchester drive and overturned.

Compensation of $50,000 is asked by Mrs. Mosinske. She is represented by Atty. John M. Hoffmann Jr. of Oakland.

Hirschey Loses Out In Traffic Debate

(Special to The Tribune)

BURLINGAME, March 31—Even when a police chief appears, that's no excuse for non-appearance of a traffic offender.

At least, that's what Judge R. L. Stone told Chief Claude Hirschey of Hillsborough when the officer appeared at Stone's traffic court this morning to answer charges that his daughter, Frances, had driven 40 miles an hour on California drive.

The judge dissented with Chief Hirschey's opinion that the limit was 45 miles an hour on this street and ordered that Miss Hirschey appear in person Friday at 10 a. m.

Fifteen speeders who did appear paid $43. The largest contributor was L. P. Whitney of San Francisco, fined $25 for reckless driving.

WOODSIDE PROPERTY SOLD

Sale of Mr. and Mrs. Robert Shurman's $16,000 of Woodside Villa property to Mr. and Mrs. William H. Lowe was disclosed today with filing of the deeds with Recorder T. C. Rice.

Children's Shop Opens Tomorrow, 2325 Broadway

Opening of the Broadway Children's Shoppe, located in the Stafford Building at 2325 Broadway, was announced for tomorrow by the Misses Dora and Yvonne Barbaix, proprietors.

The new shop will specialize in baby wear and fine quality apparel for small boys and girls up to 12 years of age.

The Misses Barbaix come to Redwood City from San Francisco and will reside in Woodside where they own their home.

Marx Brothers At New Redwood Theatre Sunday

One of the greatest laugh sensations of the year, "A Night at the Opera," starring the Marx Brothers is coming to the Redwood Theatre Sunday and Monday. This is heralded as the funniest picture these comedians have ever produced and is expected to draw large crowds.

On the same bill is "Wanderer of the Wasteland," starring Dean Jagger and Gail Patrick. There is a continuous show Sunday starting at 1:30.

Maclean Transferred To Fresno Auto Post

(Special to The Tribune)

SAN MATEO, March 31.—Robert D. Maclean, San Mateo county district manager for the California State Auto Association, will leave tomorrow to take over the position of Fresno county manager for the motorists' organization.

Maclean announced his transfer today at the luncheon meeting of the San Mateo Burlingame Kiwanis Club of which he is president.

Succeeding Maclean will be Henry W. Willey, it was announced by Fred V. Dewey Jr., field secretary of the association.

Willey is widely-known in San Mateo county, having served as original district manager when San Mateo county office was established in 1924. Willey continued until 1921 when he was transferred to San Jose. H. E. Jackson of Fresno will be transferred to San Jose.

WPA Work Assured For La Honda Road

Assurance that the La Honda road can be repaired under the county's WPA blanket road project has been received by County Engineer U. S. Marshall, he announced today. The road will receive repairs consisting of restoration of pavements and fills and the removal of slides. Cost will be about $28,000.

EIKERENKOTTER RITES HELD

Final rites for Earl Eikerenkotter, 42, who died Saturday, were held on Monday at the Layng & Tinney Funeral Parlors with the Rev. Norman W. Pendleton, former local Congregational pastor, in charge. Otis Carrington sang. Interment followed at Alta Mesa Memorial Park.

San Jose Bar Dean Passes

Edward Cothran, 74, Became Known Here Through Cases

Edward E. Cothran, 74-year-old San Jose attorney and oldest member of the Santa Clara County Bar, died suddenly of a heart attack in his law office Tuesday.

Cothran, well-known in Redwood City where he handled a number of cases, had been an attorney since he was 21, although for a time he was publisher of the daily San Diego Sun and later manager of the Hotel Coronado in Coronado before going to San Jose.

Reports that Cothran was at one time a superior judge in this county, however, are untrue.

Former Judge George H. Buck, before whom Cothran appeared in a number of cases, today paid him high tribute at his home here.

"He was a fine man and a fine attorney," Judge Buck stated.

Two sons, a brother and four sisters survive.

'PHONE RATE REVISIONS UNDER STUDY

North Fair Oaks' Plea For Reductions To Be Met

Relief is in sight for telephone subscribers in the North Fair Oaks district who pay 35 or 70 cents a month more for service than do Redwood City residents.

Manager L. C. Brown of the local exchange today informed the board of supervisors that the Pacific Telephone and Telegraph Company has under consideration revision of rates in the area.

Referring to accounts in The Tribune of a protest entered by the North Fair Oaks Improvement Club on March 25, Manager Brown wrote the supervisors:

"We have the matter of revising our base rate area boundary in that section under consideration at this time and it is expected that a decision will be made within the next few weeks.

"I shall keep in close touch with this situation and advise you as soon as a decision is reached."

Annual Band Concert Set for April 24th

Friday, April 24, is the date selected for the annual spring concert of the Sequoia 75-piece band, it was announced today by Max Gelber, instructor.

Besides band numbers, solos by several students and selections by the school string quartet will be given.

Money received from 15-cent admissions will go towards equipment needed in the music department. A setting for the concert will be made by the stage-craft class of Stanley Rollin.

Decision Due Monday In Civil Service Fate

Final decision will be made Monday as to whether or not the statewide move to secure civil service for all city and county employes will be pushed, according to Al Bullivant, president of the San Mateo county organization sponsoring the proposal.

About a third of the county employes here have subscribed financially to the move, Bullivant said. Each has pledged 15 per cent of a month's salary. Should $50,000 not be received from all counties in the state by Monday night, the move will be abandoned and contributions already made will be refunded. The money is to circulate petitions to put a constitutional amendment on the ballot, and to promote the proposal.

Support to the move has been given by the state sheriffs' association.

ASKS LETTERS IN 1927 DEATH

Letters of administration for the estate of William Whitehouse, who died May 30, 1927, were sought in a petition filed in superior court today by Anna Whitehouse, one of his five children. Whitehouse left property in South San Francisco valued at "less than $5,000."

BORAH BEST CANDIDATE

It is to be regretted that Senator W. E. Borah did not enter the California field for delegates to the national convention. He no doubt would have secured the delegation. The Warren uninstructed delegation, if chosen, would give him its vote on the second ballot. Borah is the only Republican aspirant who can defeat President Roosevelt. It looks at this early date that Borah will win the Republican nomination.

BEHIND THE SCENES IN WASHINGTON

BY RODNEY DUTCHER

Vandenburg's Stock Is Boosted by Slashing Drive on New Deal

WASHINGTON, April 2 — The Roosevelt administration, which loves itself for the enemies it has made and counts every attack from the Liberty League and Wall Street as so much velvet, now finds itself more than annoyed by a series of jabs right in Washington.

Sen. Arthur H. Vandenberg of Michigan has taken over the function of a minority party in congress, which other Republicans there have seemed unwilling or unable to assume—the function of opposition.

For the first time, the senate has rebelled under the leadership of a Republican against the administration—which was what it did when Vandenberg persuaded it to stop funds for the Florida ship canal and three lesser projects. Thanks to Vandenberg, the Passamaquoddy project in Maine is being similarly treated.

On top of that, Vandenberg becomes even more embarrassing to the New Deal by his promise to expose huge AAA benefit payments to large corporations. He also has been among those foremost in demanding investigation of WPA.

By such assaults Vandenberg is building himself up as an outstanding available candidate for the Republican presidential nomination. If by any chance Governor Alf Landon of Kansas should not be nominated, it is generally believed in Washington that Vandenberg would be the party's choice.

He'd Rather Run In 1940

But the senator has made no move toward getting the nomination and there isn't any organized effort, even in his own state, to nominate him. The real low-down on the Vandenberg dark horse "candidacy" is this:

Less than a year ago the Michigan senator was acting very much like a man who would seek the nomination. But now he suspects that the G. O. P. nomination won't be worth having until 1940.

Vandenberg favors the nomination of Senator Borah of Idaho. The Michigan delegation will go uninstructed to the Cleveland convention, but reports are that it probably will be pro-Borah.

Borah wants Vandenberg nominated in case he can't win the honor himself. He is said to have promised in effect that he would throw his support at the convention to Vandenberg if his own nomination seemed impossible.

Meanwhile, the two men are playing closely together and you'll hear a lot more about all this if it appears Landon doesn't have a walkaway at the convention outset.

Gets In New Deal's Hair

Meanwhile, Vandenberg gets under the New Deal hide because he picks the spots where the hide is thinnest.

Such projects as the Florida ship canal and Passamaquoddy have been under suspicion from the first as to their soundness. PWA engineers rejected them. Roosevelt okayed them and there was plenty of room for belief that they never would have been approved unless political angles had been considered.

They were begun in each case with $5,000,000 from the work-relief fund. Then the administration undertook to unload them on the regular budget. The appropriation asked for the Florida canal for the next fiscal year was $12,000,000.

The House eliminated the recommendations for both projects and the administration would have had the money put back in the senate bill if it hadn't been for Vandenberg.

Makes Projects Look Bad

He argued that when a "doubtful" project such as the ship canal came up, the senate should think twice before it permitted the president to embark the treasury on an expenditure of $150,000,000 or $200,000,000 without previous congressional study and approval.

The senate agreed with him and seemed certain to do likewise as to the Maine project that no attempt was made to get money back in for that one. The obvious result is to leave Roosevelt in a hole since abandonment would be a confession of a couple of $5,000,000 errors and temporary continuance with available funds would look like a dictatorial disregard of the senate.

Bares Big AAA Payments

When Vandenberg says he knows of an AAA corn-hog contract which brought a beneficiary $219,825 in two years for not raising 14,587 hogs; a wheat contract which brought 65 checks for a total of $78,638 to a single beneficiary; and a cotton contract which paid $168,000, he naturally makes the New Dealers squirm. He intends to name the beneficiaries.

Presumably such payments were made strictly within the law and were required by law. Corporations, such as insurance companies and banks, have become large owners of farms through foreclosures and hence are technically "producers."

But it looks bad—or can be made to look bad—and this is a campaign year.

And Mr. Vandenberg is rapidly becoming one of the chief reasons why the administration would appreciate an early adjournment of congress.

$5000 Damages Given In Daly City Accident

Result of an accident in Daly City December 18, 1934, Miss Carmella Morgan, 19-year-old San Francisco store clerk, is $5000 richer today. She was awarded that amount by Superior Judge Elmer E. Robinson in San Francisco as a compromise claim for damages arising out of the accident.

Driver of the machine which struck her was Luigi Garetto, Daly City. Miss Morgan suffered a double fracture of the collarbone, a fractured shoulder and cranial injuries. But she has now recovered sufficiently to take a store position.

Taggart to Address Democrats Friday

H. F. Taggart, political science instructor at the San Mateo Junior College, will be speaker when the San Mateo County Democratic Club Inc. holds its regular monthly meeting Friday at 8 p.m. in the Belmont school house.

A month following this session, the club will hold its annual banquet at Oliver's in South San Francisco, according to Secretary Anna Karstensen.

Speedy Action Seen On Carter Base Bill

WASHINGTON, April 1 (U.P.) — Prompt consideration of the Carter bill for establishment of a naval air station at Alameda, Calif., by the house naval affairs committee was assured today.

Committee Chairman Carl Vincent (D., Ga.), ordered the bill referred to a special sub-committee headed by Rep. John J. Delaney (D., N .Y.), with an assertion that it is of "great importance and warrants early consideration."

Hearings probably will begin next week on the bill, Delaney said.

Woman Recovering After Iodine Drink

(Special to The Tribune)

SAN MATEO, April 1.—Mrs. Ada May Edwards, 28, was recovering at the Community Hospital today from an error which nearly cost her life early this morning when she swallowed half a bottle of iodine. She told the doctors who pumped out her stomach that she had taken the bottle by mistake from a medicine cabinet. She is the wife of William Edwards, San Mateo bar tender.

Coast Girl One Safeway Stores Contest Winner

The modern food merchant must be a "jack of all trades."

His status as a twentieth century merchant, revealed in an Appreciation Contest waged throughout the west by Safeway Stores Inc. has cast him in a new role as a public servant.

He has served in many unusual capacities, acting as nursemaid, recovering lost children, and even playing the role of Good Samaritan by walking miles to carry food purchases to bedridden customers.

Results of the Appreciation Contest, announced here today by J. R. Day, district manager for Safeway Stores Inc., revealed Margaret E. Shoults, Half Moon Bay, as one of the major prize winners whose letter was submitted in competition with consumers in western states.

Her letter, together with others entered in the contest, revealed many acts of kindness and heroism performed by store clerks.

"They all contributed," Mr. Day said, "to a better understanding of the part taken today by the modern merchant in the business life of American communities.

"Truly the food merchant occupies a very vital place not only in our distribution picture, but in our civic and social life as well. These letters, without doubt, revealed him as a modern "jack of all trades—as a benefactor and friend of the American people."

Sequoia Choir To Sing Before Groups Formed

To sing for Redwood City groups as a service organization, a "Sequoia A Cappella Choir" composed of 21 voices chosen from the chotal classes has been formed by Otis M. Carrington, music director.

Carrington said that the choir, which as its name indicates will not use any accompaniment, will start practice soon. Among school activities planned for it are programs during Christmas week and during the baccalaureate service.

Girl members are Eron Banks, Ruth Brown, Beth Carlock, Gertrude Carlock, Tiny Da Mant, Catherine Ferraro, Elizabeth Frink, Alice Mansfield, Geraldine Minor, Geraldine Sears and Dorothy Spohr. Boys are Bob Briody, Tom Carew, Billy Downs, Hilton Gibson, George Hildebrant, David Ingram, Lloyd Martin, Bob Oleson, Charles Sammon and Charles Ford.

91 New Homes Begun in County Outside Limits

Ninety-one new cabins or homes were started in the unincorporated district of the county during March, Building Inspector William Watson Jr. reported today as he disclosed that the $183,250 total of building was the largest month since his department began issuing permits in September, 1933.

In Redwood City, Building Inspector I. C. Drathman's report showed that eight new homes had been begun. Total building for the month was $40,775, the largest month this year. Last March the total was $48,850, but included a $40,000 permit for the postoffice.

In the unincorporated area last March building totaled but $44,700. Fees collected by Watson this year were $1240.35, compared with $290.05 last year. Drathman collected $296.60 in fees this month.

Richard O. Bells Are Parents of Son

Richard O. Bell, former assistant district attorney, and Mrs. Bell are the parents of a 7½-pound son born at 6:40 Wednesday morning at the Palo Alto Hospital. Both the boy, who has been named Richard Palmer, and Mrs. Bell were reported this afternoon to be "doing nicely." The child is the first in the Bell family. The Bells live at 173 King street.

TO REPLACE ACACIA TREES

Black acacias that have been uprooting pavement in Lomita Park soon will be replanted with 200 sycamores, County Engineer U. S. Marshall announced today following a conference with property owners. The county will pay for the work, estimated to cost $700.

Kick By Horse Proves Fatal

Jack Harris Succumbs To Hurts Suffered At Tanforan

SAN MATEO, March 30.—Struck in the head by a horse's hoof, Jack Harris, 62-year-old veteran racing man from Pleasanton, died of his injuries at 6 a. m. today, 60 hours after the unusual accident happened at Tanforan.

Harris was struck by Inheritor, out for a breeze with Mose Helm. The victim was leading his horse, Brown Idyll, off the track after competing in the race.

After being struck, Harris left his horse and sought to duck underneath the inside rail when he was hit on the head by one of Inheritor's hoofs and knocked unconscious.

He was rushed to Mills Memorial Hospital, where hope was held for his recovery at first.

In a signed statement, Jockey Helm asserted that the accident could have been avoided if Harris had remained with his horse.

A brother survives Harris.

The body has been taken to the S. Nieri parlors in South San Francisco.

PENINSULANS PLAN APPEAL ON TRANSIT

R. C. Chamber to Urge Link Connecting Subway, Depot

Plans for a San Francisco rapid transit system which do not provide a tie-in for the peninsula will be opposed by at least one chamber of commerce in the county on Friday when the bay city's general committee of 150 meets to consider the report of its special subcommittee.

President Perry Bygdnes and Secretary-Manager Roscoe Wyatt announced that the Redwood City chamber would dispatch a protest by telegram to Marshal Hale, chairman of the citizens' committee. Hale's group will be urged not to overlook the fact the peninsula offers the only opportunity for the city to expand outside its own limits on this side of the bay and consequently the tie-in should be provided in the primary transit plan.

In addition the Burlingame Chamber of Commerce today launched its drive for a "concerted movement" to get "proper recognition of the peninsula on the part of San Francisco in their proposed rapid transit system."

In a communication to the board of supervisors, C. S. Manwell, president, urged participation in a general meeting called for April 10 in the Burlingame City Hall to start the movement.

At the Friday meeting in San Francisco at least two transit leaders will be present from this county: Engineer Ronald Campbell of the planning commission and County Clerk E. B. Hinman, long an advocate of rapid transit facilities for the peninsula.

The meeting is called to consider Harold K. Crane's committee report urging construction of a $20,000,000 Market street subway.

Exchange Admits Five New Members

Five new members were admitted into the Exchange Club Tuesday night at the weekly dinner, held at Wood's Tavern on El Camino Real. New members are Stuart Savoy, Mark Larwood, Francis Britschgi, Kenneth van Gundy and Robert Steffens.

A talk on the production of salt was given by C. P. Lipman of the Arden Salt Company. Emil Hendrickson was chairman. The club enjoyed a musical program.

Edward J. Margette Speaks Here Friday

Edward J. Margette, state area manager for the Townsend Old Age Pensions Ltd., will speak to the Sequoia Townsend Club No. 2 in the local Woman's Club House Friday, April 3, at 8 p. m. All interested in the Townsend plan are welcome. Admission is free.

TRI-COUNTY FIGHT ASKED TO CONTRACT

Bay Apartment Owner Group Hits Bridge Franchise

Aid of San Mateo and Santa Clara counties in fighting the "steal" and "free gift" to an east bay rapid transit system of a bay bridge franchise was sought today by the Owners' and Lessees Apartment House Association of San Francisco.

The association, in conjunction with 45 improvement associations of San Francisco, has protested to Washington against the granting of an additional $15,000,000 loan asked to build "a huge bay rapid transit system that will reach out through Alameda and Contra Costa counties and over the bay bridge to bring commuters from those areas into San Francisco," according to a letter sent the local and other chambers of commerce.

The move to secure aid of these two counties is expected to be the first step in organization of a three-county league for protection of peninsula rights.

In the leter received here, the apartment association charges:

"This privately owned rapid transit of the Southern Pacific's subsidiary, the 'Interurban Electric Railway Company', is to be equipped with the most modern type of electric trains without cost to the company, the same to be paid for out of San Francisco auto and truck tolls. Where do San Mateo and Santa Clara counties come in, and how can our side of the bay compete with such a rapid transit system built with free public funds without any cost to east bay communities?"

Immediate co-operation of all San Mateo and Santa Clara county officials and commercial and district organizations is necessary in opposing such "unjust discrimination and misuse of public funds," it is declared. Telegrams and letters have been sent to congressmen and it is asserted that San Francisco must have the backing of the other peninsula counties in fighting the "shameful and unjust discrimination."

Candidates for City Council

Eugene F. Cerqui, H. L. Irwin and Dr. Paul S. Wagner

Outline Issues

TO THE TAX-PAYERS OF REDWOOD CITY:

By a policy dictated from Palo Alto, you are led to believe the so-called "power" question is involved in the election of Redwood City Councilmen.

Would you not expect any incumbents who seek re-election at your hands to base their claims for your support upon their own record of things done for Redwood City? Does it not seem strange that their only campaign "issue" is an attack upon their opponents?

THERE IS NO SUCH ISSUE! Eugene F. Cerqui, H. L. Irwin and Dr. Paul S. Wagner pledge themselves to carry out the wishes of the tax-payers with respect to purchases of utilities. Because we have publicly deplored an unwarranted expenditure of nearly $8,000.00 to evaluate utility properties BEFORE the tax-payers were permitted to express themselves on the proposition, the cry "power" is raised.

Despite statements to the contrary, this is our position. NO-ONE FROM THE TRIBUNE HAS EVER ASKED US FOR OUR STAND ON ANY QUESTION OF PUBLIC POLICY. Anything you may read to the contrary is false.

The incumbents now recognize that public approval is necessary on such projects. On March 16th the Council voted to submit the Harbor proposition to the voters. Would it not have been folly to have expended several thousand dollars for surveys, etc., BEFORE obtaining tax-payers approval?

Incidentally our platform, published March 5, 1936, stated we would submit that proposition to the voters. Possibly that had something to do with their action—after years had been spent talking about it.

Statements have been made that we are "three newcomers to City politics." This is absolutely true!

If there is anything Redwood City needs it is:

NEW IDEAS!

NEW COUNCILMEN!

NEW-COMERS TO CITY POLITICS!

This thought was expressed in a "Tribune" editorial, March 27, 1936—quoting from a speech made before the Business and Professional Women's Club (March 24, 1936).

"But, as Mr. Hinman points out 'if we slide along for another 25 years as we have repeatedly done in the past, we will get so hopelessly behind that we will never catch up with the more progressive cities.'"

Examples TODAY of lost opportunities are on every side of Redwood City. One block north of the city limits, in San Carlos, 25 homes are being built and 75 more are planned; west of the city limits—just over the line a building project of great magnitude is under way, as is one just south of the city limits. Why have builders avoided Redwood City? Our government and our high taxes supply the answer.

In the 1935-36 Redwood City budget the sum of $7,011.75 is set for "Parks and Recreation." We do not quibble at money spent for those purposes. We strongly advocate it. But where are the parks and "recreation?" We would expect to show you something for your money. Where can you send your children for recreation, now?

We pledge ourselves to cut the cost of ADMINISTRATION and to devote the savings to making Redwood City progressive and modern.

MENLO PARK NEWS

Weeden Brothers, the well known builders and contractors, are busy these days. The firm is erecting a fine home for Mr. Seiller, Stanford Park. Large improvements are being made on the Simpson mansion at Atherton, preparatory to the arrival of the Simpsons from the East, who also spend the summer months on the coast.

On Tuesday, March 31, at the Palo Alto Hospital a seven-pound baby girl was born to Mr. and Mrs. Russell B. Buchanan. The mother was formerly Miss Ethel O'Keefe. She and the baby are doing nicely.

J. B. Lynch and his charming wife, after spending a week here with relatives, have returned to Reno, Nev. Mr. Lynch is the superintendent of the grounds and purchasing agent for the University of Nevada, positions he has held for over 20 years.

The recent storm has driven a large number of robins from the north, more than has been seen here in years. The birds will not linger long. Soon they will seek their summer home in the northland.

Mr. and Mrs. George Angus have returned from a two weeks' jaunt to San Diego. They were accompanied by Mrs. William Carnduff who was the guest of her two sons while there.

The rainfall for the recent storm was half an inch, making a total of 13.23 inches for the season as against 13.33 at this time last year. For the past 25 years the average precipitation up to April 1 has been 13.57 inches.

Mrs. Frances Maloney, candidate for city treasurer, is making an active campaign for the position Mrs. Maloney has a host of friends who are aiding her in her activities. Her opponent is the incumbent, Mr. Ryan.

The regular monthly meeting of San Mateo County Council American Legion Auxiliary will be held on Friday, April 10, in the Menlo Park Legion Hall. Unit No. 443 will act as hostess unit. President Catherine Foreman will preside and all members of the local unit are urged to attend.

On Friday, April 3, the San Mateo County Council, American Legion, met in Legion Hall with the president of the county council, Carl Hermann, presiding. Refreshments were served at the close of the meeting.

Invitations have been sent out and plans completed for the marriage of Miss Harriet Hahn, daughter of Mrs. Albert George Charles Hahn of Menlo Park, to William Donald Fletcher at 8:30 o'clock the evening of April 14 in the Stanford Memorial Church.

The third degree was conferred on Foster R. Andrews of the Menlo Park police force Friday night by Menlo Park Masonic Lodge.

Mr. and Mrs. Walter Schreck, whose marriage took place a week ago, were congratulated by a party of 14 friends Saturday evening at the home of Mrs. Schreck's mother, Mrs. Laura Pennington, in Menlo Park. Mr. and Mrs. Schreck have taken an apartment in that community.

SILVER STREAK
Here Tomorrow

Silver Streak, Old Movie Dog, Here Tomorrow

Ever hear a dog sing or play the piano?

If you haven't, you may tomorrow afternoon. For Tom Kane, manager of the Sequoia Theatre, has secured Silver Streak, famed movie dog, for a personal appearance at the matinee.

The 14-year-old police dog, who despite his age still has ample pep to warrant being called Silver Streak, not only is musical, but is "one of the most intelligent animals in America," according to his trainer, Perry Rowe.

Captain Rowe has been showing Silver Streak in Redwood City schools this week.

"He will perform numerous feats of intelligence also," Captain Rowe asserted.

Rowe revealed that Silver Streak has travelled all over the United States and four years ago went to China.

Despite the strenuous career, Silver Streak, who weighs about 80 pounds, is kept in good condition by proper care and diet.

McGrath on Group Studying State Relief

With Congressman John J. McGrath of this district as one of its members, a committee of California representatives today was studying the state's relief problem in an effort to obtain further federal aid to prevent 300,000 clients from being dropped from relief rolls May 1.

Named on the committee, according to the Associated Press, are Representatives Frank H. Buck, Vacaville; Richard J. Welch, San Francisco; Harry L. Englebright, Nevada City; Charles J. Golden, San Pedro; Byron N. Scott, Long Beach; George Burnham, San Diego, and McGrath.

Trucker, Companion Cheat Death in Crash

Two truckers narrowly missed being caught in their flaming machine shortly after 1 o'clock this afternoon when it caught fire on the Skyline boulevard opposite the Crystal Springs Country Club near San Mateo.

Driver of the vehicle was Frank Ramezzani, Colma. His companion was Roy J. Davis. The truck belonged to Paul DeLucca, Lawndale florist. It caught fire when the drive shaft broke and swung around, breaking the gasoline tank and allowing the fuel to spill onto the exhaust. The truckmen managed to get the vehicle stopped and leaped just as it burst into flames.

The county fire truck sped to the scene and prevented more than the body and cab being burned.

WINS SUSPENDED TERM

Francisco Cervantes, arrested after he apparently had participated in a fight in the local Mexican section, won a suspended term on disturbing the peace charges when he appeared before Justice Edward I. McAuliffe yesterday.

North Dakota ranchers have formed an airplane patrol to kill coyotes, which are causing heavy losses among their livestock.

STRENGTHEN THE BLADDER
Make This 25c Test

Drink lots of boiled or distilled water if irritation causes getting up nights, frequent desire, scanty flow, burning, or backache. You know what hardwater does to a teakettle. Drive out excess acids and deposits with buchu leaves, juniper oil, etc., made into green tablets called Bukets, the bladder lax. Works on the bladder similar to castor oil on the bowels. In four days, if not pleased, any druggist will refund your 25c. Young Drug Co.

State, Federal Aid For Beaches Sought

San Mateo county's delegation to the annual convention in La Jolla of the California Beaches Association returned home Tuesday, having secured unanimous passage of a resolution for the organization to "undertake to secure the aid of state and federal funds both for direct purchase of beach lands and for matching local expenditures for this purpose."

The resolution was presented by Supervisor Albert Witt following his introduction by Planning Advisor Hugh Pomeroy, who addressed the gathering of approximately 100 beach enthusiasts on this county's program. Giles B. Johnson of Montana also attended.

RETIRED RANCHER DIES

(Special to The Tribune)

SAN MATEO, April 1—Twenty-eight years a resident of San Mateo, Manuel Coreia Sr., retired rancher, passed away yesterday. Left to mourn him are his wife Clara, and four sons and daughters, Mrs. Mary Machado of Manteca, Mrs. Valvina Tishara of Oakland, and Manuel Jr. and Frank Coreia. Arrangements are pending at the Gerge W. Sneider motuary.

Slot Machine Costs Innkeeper $100 Here

A. M. Slee, 39, operator of the Bayshore Barbecue in East Palo Alto, paid a $100 fine for possession of a slot machine when he pleaded guilty before Justice Edward I. McAuliffe here. The device was seized last week by Undersheriff Lawrence Nieri and Deputy Sheriff John Simpkin in a "visit" to several cafes in the south end of the county.

Menu Flashes by Joan Andrews

How long has it been since you've had a French apple pie? French apple pie is the kind made with graham cracker crumbs, melted butter and a little sugar. It's delicious to eat and easy to digest. Apples are plentiful and reasonable now so let's make one today. Fill the graham cracker crust with a thick apple sauce, and cover with more of the cracker crumb mixture, and bake the pie in a slow oven.

Serve your French apple pie with whipped Golden State cream. Whipping Golden State cream is no effort at all—it's so rich and thick. You never need to worry about the flavor of Golden State cream. It is always sweet and delicious.

Helping Mothers to Cut Down On Family's Colds

Unique Formula for Nose and Throat Helps to Prevent Colds—And to Throw Off Head Colds at the Start.

SOON CLEARS "STUFFY HEAD"

Mothers are so often worried about their families' colds that they find special comfort in this unique aid for *preventing* colds—Vicks Va-tro-nol.

Especially designed for nose and upper throat, *where most colds start*, Va-tro-nol stimulates the functions provided by Nature—in the nose—to prevent colds, and to throw off head colds in the early stages.

Used in time—at the first sniffle, sneeze or nasal irritation—just a few drops up each nostril—Va-tro-nol helps to avoid many colds.

Where irritation has led to a clogged-up nose (a stuffy head cold or nasal catarrh) Va-tro-nol spreads through the nasal passages—reduces swollen membranes—clears clogging mucus—brings comforting relief.

A Practical Guide for Mothers

Each year, more and more families are being helped to *fewer* colds, *shorter* colds and *milder* colds by following Vicks Plan for Better *Control* of Colds. Vicks Plan has been clinically tested by practicing physicians, and further proved in everyday home use throughout the country. Full details of the Plan come in each package of Vicks Va-tro-nol.

Over 53 Million Vick Aids Used Yearly for Better Control of Colds

Not for a One-Day Parade . . . But for an Entire Season . . .

Children Always Get Our Ear

BOYS AND GIRLS often come shopping *alone* to the stores run by grocers of "the Safeway family." It's good training for them—and a help to busy mothers.

And you bet we're pleased as Punch when mothers report that their children bring home even better values than they do themselves (for that shows we "Safeway family" grocers look after the youngsters *right!*)

It is our custom here to wait on children shoppers in their regular turn. They get our best attention *(and we like to have them come often!)*

LOANS BY FHA REACH TOTAL OF $263,000

Modified Bill Given Approval in House For Continuance

In the belief the entire modernization and appliance section of the Federal Housing Act was to end at bank-closing time today, residents made a last day rush for loans that swelled the Redwood City total to approximately $263,000, bank officials reported.

But even as the deadline reached expiration, the house voted 112-50 to approve a conference report on a bill extending Title I of the FHA until April 1, 1937, according to Associated Press and United Press dispatches from Washington. The bill goes to the White House for signature.

The extension, however, eliminates insurance on loans for electrical equipment; permits renters with leases running six months beyond the terms of the loan to borrow; limits to 10 per cent the government's liability in underwriting a loan and its total liability to $100,000,000, and puts a $2,000 limit on small home modernization loans, but allows up to $50,000 in loan insurance for remodeling apartment houses, small industrial plants, schools, churches and similar buildings.

The Redwood City figure of $263,000 is nearly doubled, officials said, by the amount of long-term construction loans taken out under the National Housing Act single mortgage system of financing building and purchase of homes, which will continue in operation.

Bank of America officials reported they had made "30 to 50" of the appliance loans today, increasing the bank's total for such loans to more than $225,000.

At the First National Bank it was reported that $38,000, mostly in the short-term loans, had been made on 180 applications.

Joan Andrews' MENU OF THE WEEK

Rhubarb is such a spring-like fruit, and is so good to look at, to eat and so good for us, that it becomes almost our duty to serve rhubarb dishes as often as possible now. A very palatable duty, I might add. Regular, two-crusted rhubarb pie is always welcome, but for variety try making these rhubarb "pielets." Make small tart shells ahead of time, and fill them when you are ready to use them. Here is the menu:

Clam juice cocktail
Lamb patties
(ground lamb patties in bacon strips)
New potatoes with watercress *Fresh asparagus*
Rhubarb-pineapple "pielets"

To make the filling for the "pielets": Cook two cups of finely cut rhubarb and two cups of crushed pineapple together until rhubarb is soft. Combine two cups of sugar and four tablespoons of flour and stir them into the hot mixture. Simmer five minutes stirring constantly. Cool, fill pastry and top with whipped cream.

For new potatoes with a truly new flavor, try serving them with chopped watercress. Cook the potatoes in their skins, peel, and heat them quickly in butter. Sprinkle with salt and pepper and add the finely chopped watercress (or parsley, if watercress is not available) just before serving.

100 at Communion, Breakfast of K. C.

(Special to The Tribune)

SAN BRUNO, March 30.—More than 100 members of the Knights of Columbus from all sections of the county turned out for the annual communion and breakfast yesterday. Asst. Dist. Atty. Daniel Sullivan was the principal speaker, pleading for a clearer understanding among members of the order.

Truck Division Told For Airport Project

Complaint of the board of supervisors that 80 per cent of the trucks in use on the Mills Field WPA project come from outside San Mateo county drew a reply today from Hugh Sheppey, assistant state procurement officer.

He explained that since the project is in this county but sponsored by San Francisco, it was decided to divide the truck business between District 8, including San Francisco, and District 9, including San Mateo and three other counties. As a result, Sheppey said, he could not control exact number from this county. He pointed out, however, that 90 of the 137 trucks used come from this district, which has headquarters at San Jose.

No Poison Found In Exhumed Body Of Dr. McCarthy

Death of Dr. Francis E. McCarthy, San Mateo specialist, in San Diego last June 27 was not from poisoning, as had been charged by his widow and son, Francis Jr.

This was the report given Coroner William Crosby Monday by Joseph B. Swim, San Francisco pathologist. He said he could find no trace of poison in the man's vital organs.

The body of Dr. McCarthy was exhumed from its burial place in Holy Cross cemetery on March 14 so that the examination could be made.

Mrs. McCarthy, who was cut off by the physician without a cent of his $125,000 estate, and the son have brought suit in a San Diego court to break the will which left the bulk of his property to his housekeeper, Charlotte Morrow.

Dr. McCarthy and his wife were divorced in the local courts 18 years ago, but later resumed relationship, but were never legally remarried. Mrs. McCarthy on March 16 filed suit to set aside the final decree of divorce, charging that it was obtained without her knowledge.

HERE IS A COPY OF THE LETTER RECEIVED BY THE TRIBUNE

March 27th, 1936

Redwood City Tribune,
Redwood City,
California.
Gentlemen:

Re. Joseph H. Bergmans,
No. 8137039
448 Jackson Ave.,
Redwood City, Calif.

On January 1st, 1935, you issued policy No. 8137039 to the above party.

On November 15th, 1935, Mr. Bergmans was struck by an automobile while crossing the street, and sustained a fracture of the spine, lacerations to scalp, and general bruising. He has been totally disabled all this time.

We have been paying indemnity every four weeks on account of this accident, $120 having been paid to date. Today, the final payment of $30 additional was made, a total of $150, the company's liability in this case, covering 15 weeks indemnity at $10 per week.

Yours very truly,
DUNSCOMB-LUTHER,
Pacific Coast Managers.

Rev. W. J. Owen To Be Speaker At Morn Rites

Rev. William J. Owen, pastor of the First Methodist Episcopal Church, will be the speaker for the Peninsula Easter Sunrise Services at the Emerald Lake Bowl at 5:39 a.m. April 12, according to a decision reached by the local ministerial union.

Subject of the pastor will be "Love's Greatest Triumph."

Two other clergymen will participate in the service. Rev. Schuyler Pratt, rector of the Episcopal church, will give the invocation and Rev. Charles H. Gatchell, pastor of the First Baptist Church, will pronounce the benediction. Music, including congregational singing, will complete the brief rites.

The bowl has been cleared of weeds by city workmen and County Engineer U. S. Marshall is making repairs to the road leading from the newly-smoothed Jefferson avenue to the site of the services.

AGRICULTURAL AIDES NAMED

Appointment of Ian J. Campbell and Lester E. Allen as part time deputies in his office was made today by Agricultural Commissioner Max J. Leonard. Both men have previously been employed in the department.

STOCKTON WOMAN HURT

(Special to The Tribune)

BURLINGAME, April 1.—Mrs. Herbert A. Harris of Stockton incurred a bruised forehead and a cut arm in an accident here on El Camino Real late yesterday when the car driven by her husband collided with the machine of A. C. Smith of Burlingame.

MIX AND TONY INSEPARABLE PALS

Tom Mix, glamorous star of the silver screen, riding high in his silver-plated saddle astride his famous horse, Tony, will appear wtih his own big 3-ring circus which exhibits at the Embarcadero road show grounds, opposite the high school in Palo Alto, Tuesday, April 7.

Tony, of course, does not participate in the strenuous part of the performance but is content to troupe along with the big show and greet his many friends in the circus menagerie which is open for free inspection one hour before each performance. Tom appears on his new horse, Warrior, a six-year old Arabian thoroughbred. Hundreds of performing horses, scores of arenic stars and a whole army of clowns take part in the 2-hour performance of the big show.

WHITAKERS TO BUILD HOME

Construction of a five-room frame house at 326 Iris for Earl Whitaker, McKinley school teacher, and Mrs. Whitaker was begun today by H. W. Treichel, contractor, following issuance of a permit for the $4,000 home by Building Inspector I. C. Drathman.

Dumbarton Bridge Shows 1935 Profit

A "marked increase" in the business for 1935 is reported by J. B. McCargar, president of Dumbarton Bridge Company. The net profit is shown to be $9,331.53, as compared with a deficit of $998.74 for 1934.

The company's receipts for 1935, before providing for depreciation, were 3.21 times the bond interest and expense requirements, according to McCargar. Repairs and maintenance amounted to $18,712.81, an increase of $2,879.79 over the preceding year's record. Bonds of $50,000 were retired on January 1.

D. C. MAN GETS HOGS POST

Henry Blecher, 102 Moltke street, Daly City, has been appointed to the $1800-a-year post in the county health department having supervision over hog ranches under the county's new ordinance, Health Director Charles C. Gans announced today. The ordinance provides for a $100 a year license fee from ranchers to reimburse the county for the supervisor's salary.

Dispatches from Coromandel in the interior hillsides of Minas Geraes state, Brazil, say a diamond unearthed there weighing 141 carats was sold to Joaquin Aguiar, industrialist, for 495 contos (about $30,000) and is valued at 1,200 contos (about $72,000). Other large stones are the Orloff diamond, 194 carats; Pitt diamond, 187 carats, and Kohinur diamond, slightly over 106 carats.

Policewoman, Young Matron Hurt in Crash

Mrs. Katharine Sullivan, San Francisco policewoman, incurred a sprained left ankle and Mrs. Mary Dawson, 21, of Lomita Park, daughter of Mrs. Mary Nunez of Redwood City, suffered a wrenched back in a collision here last night.

The crash occurred at 8:45 o'clock at the Arguello-Brewster intersection. Merle C. Smith of San Francisco was driving the machine in which Mrs. Sullivan was riding. Mrs. Dawson was driving her own car, having just left for home after a visit with her mother.

After first aid here, Mrs. Dawson was taken to Community Hospital. Attendants there said she probably would be confined for a week. Mrs. Sullivan was taken to Mills Memorial Hospital.

INDIAN JEWELRY FOUND

TUCSON, Ariz (AP)—Rare necklaces and inlaid ornaments, representative of the surface Pueblo people of 900 to 1,000 years ago, were found by Indians working on a highway near Santa Rosa, Papago Indian reservation village, in Pima county.

RELIEF STAFF CUT TO 4

(Special to The Tribune)

BURLINGAME, April 1.—Another slash in the county relief administration rolls diminished the staff to four today. The registrar clerk was dropped, leaving only Mrs. Goldie Avers, county social service supervisor, two case aides, and a clerk-stenographer, it was announced at relief headquarters.

1 HURT, 1 CITED IN CRASH

Walter E. Mills, 43, of San Bruno, suffered a facial cut and Earnest Ware, 36, Burlingame, was cited for reckless driving as the result of a collision on El Camino Real in Millbrae Tuesday.

ROCHEX STOCKS $1579

Stocks owned by Frank J. Rochex, San Mateo real estate broker who died last August 24, inventoried at $1579.09, Appraiser James Lee reported to superior court today. Rochex bequeathed his Hillsborough home to his wife and his brokerage business to his two sons, Frank J. and M. L. Rochex. They also receive the stocks.

Granted permission to Sam Gold to enlarge his Woodside road premises providing he shielded the junk collections from public view.
